Coming Sept. 6th! New Recycling Center Downtown

Residents will soon have another option for safely disposing of common household items – without damaging the environment. On September 6, 2003, the City of Santa Barbara will open a new drop-off facility where residents can recycle **Antifreeze, Batteries, Used Motor Oil, and Latex Paints (ABOP)**.

Located downtown in the City of Santa Barbara's Corporate Yard, the facility will be open to residents of Santa Barbara, Montecito, and the surrounding unincorporated areas. The new ABOP recycling center was funded by a grant from the State of California. Both the City and County of Santa Barbara are working cooperatively to address the growing need for proper disposal of these items.

**Only the following items can be accepted at the new facility.
For an easy reminder, think of the initials "ABOP."**

Automotive Products

Batteries

Used Motor Oil

Used Oil Filters

Latex Paints

Please Note!

The ABOP recycling center can accommodate only those items listed above. For proper disposal of hazardous materials such as *lawn chemicals, pesticides, and oil-based paint products*, please take them to the Community Hazardous Waste Collection Center at UCSB. Call (805) 963-0583, ext. 104 for hours of operation and directions for UCSB facility.

ABOP Recycling Center – Opens on September 6th!

401 East Yananoli Street, Santa Barbara

(805) 560-7505

A new episode airs at the beginning of each month.

Online City Council Agenda Reduces Paper

Technology is helping the City of Santa Barbara conserve natural resources and trim costs. The public can now access Santa Barbara City Council agendas, staff reports, and attachments directly from the convenience of their own computers. Each Thursday by 3 p.m., the Council Agenda “Packet” for regular meetings will be available online. Visit www.ci.santa-barbara.ca.us, and click on “City Council Agendas” from the Quick Selections menu on the right side of the page.

An automated system called LegisStream™ enables the public to retrieve the agenda documents at the same time that they are available to Santa Barbara City Councilmembers.

Persons who don’t have Internet access can obtain printed copies of the City Council Agenda Packet at the City Clerk’s Office, and at the Central Library in downtown Santa Barbara.
